All social notes and items of local interest should be submitted to the editor before noon Wednesday to insure publication the following Friday.

Mrs. E. E. Horner of Eaton Rapids, Michigan and Charles Washburn of Grand Rapids, are visiting their niece this week. Mrs. Ralph Kidder, Mrs. Ruth Timmons and Mrs. N. T. Taylor. They arrived last Saturday accompanied by an old friend of the family, Elyse Speer, also of Eaton Rapids and Mrs. William Washburn of Grand Rapids, enroute to Miami Beach, where they will spend some time at their winter home.

Mrs. Kathleen Livingston was confined to her home during the week with flu.

Mr. and Mrs. Stanley Kober of Mendville, Pa., visited his uncle and aunt Mr. and Mrs. C. J. Aspey, enroute to Miami.

Reverend and Mrs. Chester Beebe, who have been vacationing here the past three weeks left this week to return to their home in Niagara Falls.

Mr. and Mrs. Thomas Cartwright have moved into the Pennington home on 5th Street. Mr. Cartwright is commercial agent for Southern Railroad in

this area, succeeding Charles Maynard, who left to accept a position in Orlando.

Mr. and Mrs. G. L. Williams of Virginia, Minnesota, were guests at the George Young home Friday and Saturday and found Belle Glade so enjoyable they are spending the week with accommodations at the Ricks Motel. They are old friends of the Youngs. Other guests at the Young home this week are her mother, Mrs. R. L. Eaton of Bradenton, and Mrs. Alma Mason of Minneapolis, Minnesota.

**CELEBRATE BIRTHDAYS WITH SKATING PARTY AND WIEENER ROAST MONDAY**

A skating party and wiener roast at Belle Glade Municipal Park Monday afternoon marked the 8th birthday of Tommy Close, son of Mr. and Mrs. Herman Close, and Michael Berryhill, son of Mr. and Mrs. Lee Berryhill.

Mrs. Berryhill and Mrs. Close were assisted in entertaining and serving the little guests by Mrs. Peter LaChance. Favours of airplanes and whistle balloons pleased the children and

added to the party's hilarity. Guests were: Doris Muller, Vicki Sue Hollingsworth, Maryanne Collins, Francis Ball, Anna Marie LaChance, Patty Wilkinson, Barbara Wolfe, Margaret Thumms, Lee Ann Berryhill, Darlene Dupree, Linda Close, Alice and Dickie Dupree, Bobby Pence, Don Abel, Norman Houmes, Kent Bell, Bill Weeks, Martin Ebus, Wayne Woods and Sammy Van Landingham.

**MRS. STERLING HUNTER OP MIAMI SPEAKS AT GARDEN CLUB MEETING**

The story of the "Trees of the Bible" told by Mrs. Sterling Hunter of Miami at the meeting of the Belle Glade Garden Club Thursday, was a stirring and beautiful one. One was pleasantly surprised that there were so many of them—Apple, Almond, Acacia, Balsam, Cedar, Fir, Chestnut, Hazelwood, Juniper, Elm, Olive, Fig, Palm, Pomegranate, Sycamore, to name some of them. Her naturalness of delivery added greatly to the enjoyment of her talk. She was introduced by program chairman, Mrs. A. F. Hopson, as were Mrs. Maurice Hart and Mrs. M. Bryant, who accompanied her from Miami.

During the business meeting which followed, Mrs. Thomas Bregger, radio chairman, announced a special radio program featuring Mrs. R. A. Cecil of Clewiston on the subject "The Culture of Orkney," for January 29th at 11:30 am. Other colored flowers and crystal. The cut glass punch bowl, a beautiful antique, at one time belonged to Mr. Anderson's great aunt. Candytuft, gerbers and asters were artistically combined for the table centerpiece and the beautiful bouquet of white Freesia, aspidistra, and Mrs. Herbert Beck, to the following: Mrs. C. A. Bailey, Mrs. M. M. Sabatini, Mrs. Thomas Bregger, Mrs. Luther Jones, Mrs. R. V. Creech, Sr., Mrs. Frank Friend, Mrs. J. P. Halbrook, Jr., Mrs. Geo. Wedgworth, Mrs. C. J. Aspey, Mrs. M. **IMPORTS AT PALM BEACH  
RANK SECOND IN STATE**  
Foreign trade through eight of Florida's larger ports was made up of \$160,000,000 in exports and \$145,000,000 in imports in 1952.  
Since only a small amount of Florida imports and exports were held in transit, these totals may be added, indicating a total of \$305,000,000 as the value of the foreign trade of Florida's ports. The Florida State Chamber of Commerce reported this week. Compared with 1951, exports in 1952 showed a decline in value of about \$30 million while imports were up \$84 million. Values handled by each of the eight ports in 1952 are given in this week's business review of the State Chamber's research and industrial division. West Palm Beach ranked first in value of exports with \$97,300,000; Miami shipped \$22,700,000; Tampa \$18,000,000; Jacksonville \$18,000,000; Pensacola \$8,300,000; Panama City \$800,000; and Boca Grande and Port Everglades \$600,000 each.  
The value of imports ranked Jacksonville first with \$67,000,000; West Palm Beach \$27,000,000; Miami \$20,200,000; Tampa \$15,500,000; Port Everglades \$1,100,000; Pensacola \$4,400,000; and Panama City \$2,100,000. State totals include amounts from ports not listed above. These tabulations refer only to total foreign trade and not to total port activity which is greatly augmented by domestic and intrastate traffic.

**MEDICAL FORUM DISCUSS  
YOUR CORONARIES AT MEET**  
The Second of the Six Free Medical Forums presented by the County Medical Society and County Health Department is to be "Living with your Coronaries" and will be held on Tuesday evening, January 19th at 8:30 at the Palm Beach High School Auditorium.  
Rabbi Richard E. Singer of Temple Israel will offer the invocation and introduce Dr. Thomas E. Daly, President of the County Medical Society and Chief Moderator of the series.  
Dr. Graham W. King, Jr., will act as Moderator of the panel composed of Dr. J. R. Anderson, Dr. O. L. Jones, Dr. F. E. Manulis, Dr. S. R. Ombres, Dr. S. D. Rotter and Dr. Thomas Whitehead.  
Dr. Rotter will open the discussion by answering the question "What is Coronary Heart Disease?" Dr. King will ask other panel members such questions as "How could I tell I had Coronary Heart Disease?" "What is the difference between angina pectoris and Coronary Thrombosis" and many others.  
Dr. R. D. Hoover, Chairman of the Public Relations Committee of the County Medical Society, is directing the Forum and Miss Margaret F. Bodenstein is Secretary.

**SAVINGS BOND SALES  
UP 48.4% FOR COUNTY**  
Palm Beach County was one of 52 states which contributed to a whopping \$119 million gain in Savings Bond sales in Florida during 1953 according to a statement by E. M. Lively, Belle Glade, chairman of the Treasury's Savings Bonds Committee. This year's sales of Series E & H Bonds in Palm Beach were \$2,857,301 a gain of 48.4 percent over 1952's \$1,924,663.  
For the state as a whole the sales were \$1,853,410, an increase of \$13,848,512 or 36.8% over last year's volume, and Florida receives in addition a pro-rata credit for purchases by armed service personnel and civil service employees paid from central disbursing offices amounting to \$4,288,374, which brings the grand total for Florida for the year to \$56,151,684 or 98.2 percent of its assigned quota. Mr. Lively explained.  
"With the added emphasis which the Treasury Department is placing on the Savings Bonds program as one of the prerequisites to its sound money objectives, it has adopted a slogan — A billion more in '54." — Mr. Lively added, "and it may be expected that Palm Beach County will be assigned a proportionately larger goal this year to help meet the state's larger quota."

**Campus Highlights**  
On last Friday, our first assembly program was presented by Miss Lillie Mae White, and her first "A" class. A clever little skit was presented, placing much emphasis on courtesy and safety. A movie was shown

also and a short quiz period was conducted by the sponsor as a result of emphasizing the art of good listening. The audience seemed genuinely interested.  
**P.T.A. Notes**  
Our P.T.A. continues to work cooperatively with the Youth Service Bureau in the fund-raising event in the near future. Watch this column for further details.  
We are grateful to have two new-comers enter into our school program which is due to our large enrollment. At present our enrollment has leaped from 362 to 402. New members added to the faculty are Mrs. Mary Jane Sneed of Jacksonville, Fla., a graduate of Florida A & M University, has been assigned to the 3rd division of the first grade class. Mr. Willie Ulysses Walker, a graduate of F.A.A. & M University is to assume the responsibilities of the fourth grade "A" class. Since our program has been reorganized the first three grades are now on double-session. We are looking forward to an interesting and profitable experience working cooperatively with these new members of our school family.  
Again, everyone is invited to attend our Yepper Service at the School Center Jan. 24. Given in honor of the Shiloh Baptist Church. Our school chorus under the direction of Mr. S. M. Murrell will provide the music. We promise that this will be a very timely and interesting service. Time—6:00 p.m.

**DAISY MURRELL HEADS  
COUNTY TB WORK FOR  
NEGRO DIVISION**

Mrs. Daisy M. Murrell of Belle Glade, Florida was re-

cently appointed Health Education Worker for the Negro Division of the Palm Beach County Tuberculosis & Health Association.  
Mrs. Murrell is well qualified for this post, having had years of experience in Public Relations programs. She worked two years in the Social Welfare Department of Federal Agencies in Duval County, Jacksonville, Fla. From 1944 to 1947 she was Home Management Supervisor for Okeechobee Migratory Camp, Belle Glade, Florida.  
For the past three years Mrs. Murrell has been an ardent volunteer worker in county tuberculosis and health programs. She was a member of the Negro Advisory Board of the Florida Tuberculosis & Health Association and a member of the Board of Directors of the local TB Association.  
At present Mrs. Murrell holds the post of President of the Palm Beach County P.T.A. Council, Publicity Chairman for the Florida Congress of Colored Women and Teachers and Vice-Chairman for the National Association of Colored Women, Inc.  
Mrs. Murrell says, "Today in the vital health program 'The Fight Against Tuberculosis' presents a challenge to organized groups. Each citizen should face this issue by asking himself, 'Am I my brother's keeper?' and the answer should be, 'In the words of the great commitment, 'Love thy neighbor as thyself.' In the face of current TB problems each community will be asked to act up upon volunteer groups and to cooperate with the local Association in seeking to develop a better program in this fight against TB."  
Mrs. Betty L. Shepard, Executive Director of the association said "We are most fortunate in securing Mrs. Murrell's services. We feel confident that the Health Education program of the TB Association will become one of the outstanding ones in the State."

# NEW CHURCH FOR SOUTH BAY BAPTISTS GROUND BREAKING SERVICES JAN. 21st

Rev. John Cooper of South Bay announces ground breaking services for the proposed new Baptist Church to be held on Sunday, January 31 at 2 o'clock. Rev. Hal Hunter, pastor of the Pahokee Baptist Church and

moderator of the Palm Lake Association, will make the address. The present church is located on the main highway, U. S. No. 27 and SR No. 80. That site will be abandoned and sold, the pro-

ceeds to go into the new building which will be located in the Roodman-Hardy Subdivision. The building fund has been accumulating for several years as the need for a new edifice became clear. A part of the new site was donated by Roodman-Hardy, additional lots having been purchased by the church. The erection of the church will start at once under direction of the building committee composed of M. J. Hardy, A. J. Williams and W. L. Cunningham. Bob Davis of Belle Glade will be the builder and the architect is Chester A. Cone of Miami.

The church will be on a flood plain 84 x 45 feet, of concrete block construction, stucco on the exterior and plastered on the interior with a pith and gravel 20 year guaranteed roof, cement floor laid with tile. Miami Aving windows will be used throughout.

The main auditorium and balcony will seat 348 persons. The overall plan calls for an additional building to house the Sunday School and recreation rooms, but for the present the balcony will be divided into four Sunday School rooms. The two rooms at the front of the church to be used as Church office and pastor's study will do double duty for the present as Sunday School class rooms. In the rear will be the rest rooms, dressing room and two Sunday School rooms.

## EPISCOPALIANS WILL MEET TO SELECT PROPERTY SITE

Members of St. John's the Apostle Episcopal Church will hold a congregational meeting Tuesday evening, January 26, 8:00 p.m., at the Women's Club house to discuss selection of a property site for a new church building. The church has grown rapidly since its organization and immediate needs must be taken to acquire property for a building, according to Emmett Roberts. All members are urged to attend and give the vestry the benefit of their ideas on this important question.

## LUTHERANS TO HOLD GROUND-BREAKING

Rev. Walter Schoep, pastor of St. Peter's Lutheran Church, will conduct ground-breaking services at 3:30 p.m. next Sunday at the site of the future Lutheran Church. The property is located directly west of the new high school building in Belle Glade.

The congregation has met in various places in the community, but for the past several years has held services each Sunday night in the Women's Club House. Approximately two years ago a Sunday School was organized with nine members, and has more than doubled in size.

At the annual election of officers for the congregation held Sunday, January 10, Paul C. Kirshman was re-elected president; J. G. Althaus, secretary; Charles Redmer, treasurer. W. J. Kirshman and Frank Kruse were elected elders, and Victor E. Green, Jr. and Robert Ellis, Jr., trustees.

## EPISCOPAL ORDINATION AT ST. PETERSBURG

Two deacons will be elevated to the priesthood of the Episcopal Church, next Monday, Feast of the Conversion of St. Paul, the Apostle, at St. Peter's Church, St. Petersburg, Florida. They are the Rev. Hollis H. Buchanan, assistant at Trinity Church, Miami; and Sidney Lanier, assistant at St. Peter's, St. Petersburg. The ordaining bishop will be the Rev. Henry I. Louttit, D.D., of the diocese of South Florida. This will raise the total number of priests serving in the southern half of the State to 99 who are ministering to 125 congregations.

## CHURCH GROUP ATTEND MEET IN FT. LAUDERDALE

Mr. and Mrs. Lonnie Warren, and daughter, Velma, Mrs. Della Altman and Mrs. Florence Moore attended a Missionary Service at the Church of God in Ft. Lauderdale Wednesday night. The speaker was the first pastor of the Church of God in Belle Glade, Rev. C. E. French, who is now an Indian missionary.

A Ladies' Aid Society was organized, which meets the last Tuesday of each month at the member's homes. A number of successful fund-raising projects have been undertaken by the group, although the emphasis at the meeting is on Bible study and selected topics. The public is cordially invited to attend the ground-breaking ceremony for this new church which, it is hoped, will be an asset to the community, and fill a definite need for a church home by the many Lutherans of the Glades area. Construction will begin within the next few weeks.

## MRS. MALCOLM SPEAKS ON MISSION WORK

Mrs. U. W. Malcolm was the speaker at the General WMU meeting held Tuesday night at the First Baptist Church.

In order to better acquaint the members with the work of design missions, Mrs. Malcolm took them on an imaginary trip around the mission field of the world and as she knew many of the missionaries personally, gave a very interesting and informative talk. She also displayed gifts from many of the missions which she had received from missionary friends.

Preceding her talk devotionals were led by M. J. Jobb. Auckland followed by a duet by Suzanne and Molly Fore. Refreshments were served by the Gladys Smith Circle. Mrs. Roy Littlefield in charge. Mrs. Milla Byrom, program chairman, announced that Mr. Armand Ball, state Royal Ambassador's secretary, will be present at the church on March 8th.

## NEW WORLD IN MOTION SHOWN BY CHRYSLER AT TAMPA STATE FAIR

"New Worlds in Motion," a \$100,000 Chrysler Corp. exhibit which tells the story of how an automobile is built, is scheduled to be seen at the 1954 Florida State Fair, Feb. 3 through Feb. 13, J. C. Buckison, Fair manager, announced this week.

This huge display, which contains 100 devices that can be operated by spectators, will cover the entire 10,000 square feet of the newly named and redecorated Chrysler Building. This is the former Pen American Building.

Featured in the huge exhibition of automobile engineering, which is transported on 17 semi-trailer trucks, are Chrysler Corp. "dream" cars, and a specially built Plymouth chassis which is made of plastic. Some 1,250 plastic parts make up this full-sized car.

This transparent car is exact in every detail to a production line Plymouth. It has been acclaimed, "one of the most remarkable demonstrations of how an automobile runs."

"New Worlds in Motion," which has been seen in 17 cities from coast to coast now making its first Tampa appearance, will be accompanied by highly trained technicians and engineers from Detroit. The operation takes five days.

Other giant industrial and commercial exhibits to be seen by the 1954 fairgoers include: The Electrical Exposition; cigar making; Florida Liquors and Petroleum Sales; Florida Citrus Commission, Exchange and Mutual; St. Joe Paper Co.; and many others.

**CARD OF THANKS**  
The recent bereavement which visited our home has brought to us a greater appreciation of our friends. Such kindness and neighborly thoughtfulness can never be forgotten. Our sincere thanks also to Dr. Ralph Pipes. The family of William Thomas McCarty.

## YOU NEED YOUR CHURCH YOUR CHURCH NEEDS YOU . . .

### 60 SECOND SERMONS

by Fred Dodge

TEXT: "I can forgive, but I cannot forget, is another way of saying 'I cannot forgive'." Henry Ward Beecher.

No doubt the clergyman in the following story didn't mean what he said. Deacon Jones had been a member of his church on the street, he was asked, "Preacher, when do you expect to see Deacon Jones again?" The preacher replied said, "I am sorry to say that I will never see him again. Deacon Jones has gone to Heaven."

Time and again we say things we do not mean. Our slips of the tongue are picked up by others and huffed close until they form deep scars. Had we known that what we said would be misunderstood, we would have bitten our tongues first. There are two lessons in this. One, that we should think carefully before we speak.

# A Hymn Is Born

BY CLINT BONNER

## Abide With Me

A sick preacher takes a walk

During the first half of the last century it was not uncommon for the townspeople of Birmingham, England, to see a frail middle-aged man stroll thoughtfully along the seashore. The middle-aged man was the town's pastor and he had taken his daily walks by the sea for 20 years. That was the way he worked out his sermons.

When he was 50 years old he had taken the little air would help his health. Now he was 54 and his lung trouble had grown worse. Doctors said he would have to go to the warmer climate of Italy.

Swift to his close abode life's little day. Earth's joys grow dim, its glories pass away. Change and decay in all around I see;

O Thou who changest not, abide with me! I need Thy presence every passing hour.

What but Thy grace can foil the tempter's power? Who like myself can guide and stay can be? Thro' cloud and sunshine, O abide with me!

Hold Thou Thy cross before my closing eyes; Shine down the lonely, and point me to the skies. Heaven's morning breaks, and earth's vain shadows flee; In life, in death, O Lord, abide with me!

fully before we speak. The other, and more important, that we should not be the ones who misunderstand. Let us remember that others, too, may not mean what they say. If we expect people to make allowances for us, we must do the same for them. We can inflict ourselves with imagined slights that take much away from the joy of living. From selfishness, let us have possible meaning from what other say. Then forget it. You will be happier. Your friends will love you for it.

### CHURCHES OF CHRIST, SCIENTIST

The importance of honesty and unselfishness in seeking spiritual understanding of God will be brought out in the Lesson-Sermon entitled "Truth" to be read in Christian Science churches Sunday.

The need of teachableness and receptivity, as highlighted in the parable of the sower, and Jesus' explanation of it, as recorded in the Bible in Luke 8:4-15, will be read.

The following corrective citation will be among selections read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The spiritual sense of truth must be gained before truth can be understood. This sense is assimilated only as we are honest, unselfish, loving, true to the meek. In the soil of an honest and good heart the seed must be sown, else it bears little fruit, for the sowing seed in human nature uproots it" (272:3-8).

The Golden Text is from Deuteronomy: Ascribe ye greatness unto our God. He is the Rock, His work is perfect for all his ways are judgment; a God of truth and without iniquity, just and right is He" (32:4).

### TEA TONIGHT MARKS END OF FOCUS WEEK

The W.M.S. of the First Baptist Church is observing Focus Week January 17 thru 22nd. Sunday evening they will have special guests at the regular evening worship service. On

At the morning service Lytle had conducted his last sacrament. And now, as he walked beside the sea, he made notes for his farewell message to friends whose joys and sorrows he had shared for nearly a quarter of a century. In Italy he would be among strangers. But the smile which here was one friend who would go with him. "In life, in death" wherever he went. He put his sentiments on paper gave the paper to a relative who put it away in a trunk. Henry Francis Lytle died in Southern France two months after leaving Birmingham. He never reached Italy. In 1861 his poem came to the attention of a London publisher. Couper William H. Moore set it to music. . . this was born an immortal hymn.

What but Thy grace can foil the tempter's power? Who like myself can guide and stay can be? Thro' cloud and sunshine, O abide with me!

Hold Thou Thy cross before my closing eyes; Shine down the lonely, and point me to the skies. Heaven's morning breaks, and earth's vain shadows flee; In life, in death, O Lord, abide with me!

### NATIONWIDE LECTURE TO SPEAK HERE JAN. 24

How to apply Bible teachings to problems of the individual and the home will be the topic of a public lecture on Christian Science to be delivered in Belle Glade on Jan. 24th by Arnold J. Eno, of Chicago, it was announced this week.

A member of The Christian Science Board of Lectureship, Mr. Eno will speak under the auspices of First Church of Christ, Scientist in the New High School Auditorium at 3:15 p.m. His subject will be:

### OUTLINE FOR THE INTERNATIONAL UNIFORM SUNDAY SCHOOL LESSON - January 24, 1954

LESSON TOPIC - "Jesus and the Samaritans" SCRIPTURE LESSON - John 4:27-42 By Mrs. Robert Ford

INTRODUCTION: In our 4th lesson in the Gospel of John, we come to an unusual lesson. Jesus had a way of breaking the so-called social customs of the people of his day. Today we see him crossing man-made barriers.

I. JESUS AND THE WOMAN OF SAMARIA - vs. 27 It was a breach of social custom for Jesus to have a Samaritan woman as a disciple. She was a woman - worse still (in the sight of Jews) she was a woman of a hated Samaritan - and a woman of unwelcome character. Her reputation was such that the first approach; the never would have Christ's people today must take the Initiative.

II. THE WOMAN AND THE TOWNSPEOPLE - vs. 28-30 The woman didn't know much, but she gave her witness. She didn't argue but she invited others to see for themselves. God uses strange evangelists. You can do what that woman did.

III. JESUS AND THE DISCIPLES - vs. 31-38 a. vs. 31-34 gives us an insight into the sources of Jesus' strength. b. vs. 35-38 here we have Jesus' lesson in sowing and reaping.

IV. JESUS AND THE SAMARITANS - vs. 39-42 Faith on the part of many who would have never known Christ was the result of his breaking down man-made barriers, and also the result of a woman who apparently had no possibilities for good.

CONCLUSION: Man-made barriers often hinder our effective work in the great commission to the Church. That Commission was to preach the gospel to all people. Often God will use the most unlikely person as the instrument for leading others to Christ.
